SchoolLife

**BUILT BY EDUCATORS
FOR EDUCATORS**

For over 25 years, we
have remained dedicated
to the development and
overall betterment of
today's youth.

*Partners in
Positivity!*

**I have sat in your seat and I am
here to support you.**

School Life has supported
thousands of educators, schools
and students across North America
to build positive culture, increase
attendance and strengthen mental
health.

I was one of those educators. I'm a
former Elementary Teacher,
Assistant Principal, and Principal.
School Life truly played a huge role
in the success of the school I led.

Today I am the VP of Positive
Education here at School Life.
I'm also a national presenter and a
professional development
facilitator. My life's passion is to
make a positive impact on
educators, students and
communities.

We at School Life don't want to just
sell products to you, we want to
understand your student, staff and
school needs and provide solutions
that work. If you have any
questions, ideas, or would like for
me to help create a PBIS,
Attendance, or Rewards System for
your school, please reach out!

Kind Regards, **Ross**
