

"We started using Brag Tags, and it has totally changed how teachers are looking at discipline. We are now trying to catch kids for their good behavior instead of waiting until they made a poor choice. They have worked so well I had to start making custom tags for myself as the principal. We have also made them for our substitutes and our kitchen staff. Students see how many they can collect. **GAME CHANGER.**"

PRINCIPAL PRO TIPS:

- When you catch your students doing amazing things, being kind and going above and beyond - make it a **BIG DEAL!**
- For every 3 Brag Tags a student earns, bring them to the office, call home with the big news and present them with the prestigious **KUDOS CALL Brag Tag**.
- Take a selfie with the student
- Give them a shoutout on the morning announcements
- Hang our **KUDOS CALL Vinyl Banner** outside your office that Kudos Call students can sign!
